U10 play is intentionally non-results oriented to allow players to develop at their own pace away from competitive pressures. However in the interest of providing appropriately challenging environments for a very wide range of players and teams, we welcome the following information about your team (we encourage clubs to consult their U10 coaches and/or tryout evaluators when completing this information).

1. Team is comprised of ___mostly returning players ___mostly new players ___evenly split between new and returning players.
2. Team is comprised of ___mostly 4th graders ___mostly 3rd graders ___ evenly split between new and returning players.
3. Relative to other teams I have seen, this team is ___relatively strong ___relatively weak ___about average.
4. Our U10 teams are ___selected by competitive tryouts ___open to everyone without tryouts.
5. If there were two divisions I would prefer that this team be placed in the ___more competitive division ___less competitive division.
