

Pre-Game Pledge:

Welcome to OUR soccer game!

We are learning the game and learning to love the game.

Our Referees are keeping the game safe and fair and in some cases are very new to their roles, so they are learning too.

Our Coaches are helping us to learn the game through mistakes, successes, wins and losses.

You, our SPECTATORS, mostly family and friends of OURS are here to ENJOY THE GAME, CHEERING ALL PLAYERS ON, so EVERYONE WANTS TO COME BACK AND PLAY AGAIN.

We are so excited you've come to watch us! Everyone has a role, and they all are positive and designed to help ALL of us feel supported and proud to be soccer players!

Modified version for U10:

Welcome to our soccer game!

Referees and coaches are helping us to learn and love the game of soccer while keeping us safe.

We are excited that you have come to support all of us and we hope you enjoy the game.
